Getting Started

It's easy to get started on your **Earn While You Learn** plan. Individual lessons on a number of topics are available at Agape during our normal business hours from 9 a.m.– 5 p.m. Monday to Friday. These lessons are fun, interesting and practical!

You can either walk in when you have some extra time or schedule an appointment to ensure there will be an area available for you to watch the video.

In addition to Individual Work, Agape offers numerous classes each week. The class calendar changes throughout the year, so check with your client advocate for the most recent class times. **Also, visitors are always welcome, and they receive Mommy Money, too...so feel free**
